FAO's role on SDG monitoring and implementation at regional and national level; 2. Methodology of each of 21 indicators under FAO	Dorian Kalamvrezos Navarro	Completed	07/2018	07/2018	Regional			
FAO	Capacity building workshop	SESCRIC first Workshop on Monitoring Food Security in the Context of 2030 Sustainable Development Agenda	to develop capacities of officials of the selected NSOs of OIC Member Countries to advocate with national government leaders for the inclusion of the Food Insecurity Experience Scale (FIES) and food consumption modules in national surveys for	Carlo Cafiero	Completed	02/2017	02/2017	Regional			
FAO	Capacity building workshop	SESCRIC second Workshop on Monitoring Food Security in the Context of 2030 Sustainable Development Agenda	to develop capacities of officials of the selected NSOs of OIC Member Countries to advocate with national government leaders for the inclusion of the Food Insecurity Experience Scale (FIES) and food consumption modules in national surveys for	Carlo Cafiero	Completed	11/2017	11/2017	Regional			
FAO	Capacity building workshop	Regional workshop on monitoring SDG target 6.4, Morocco	Provide technical support to francophone African countries for the formulation of SDG indicators 6.4.1 on water efficiency and 6.4.2 on water stress	Riccardo Biancalani	Completed	07/2017	07/2017	Sub-regional			

Inventory of activities

Regional Agency Name	Type of activity	Activity Title	Description / Objective	Focal points	Status	date initiated	date completed	Coverage	Human resources w/m	Resources available \$	Comments / limitations
WHO	Capacity building workshop	Inter-country workshop on capacity of member states to report on core indicators	To discussing the results of the assessment on country capacity to report on core indicators and also discuss key public health challenges in reporting on core indicators and needed technical resources to enhance quality and reporting . Participants also discussed	Health information system focal points from the Ministry of Health in the 22 countries supported by WHO Regional Office	Completed	07/2016	08/2016	Regional			A workshop with member states to follow-up on some of the activities and developments in 2018 was postponed due to funding constraints.
WHO	Capacity building workshop	Capacity building workshop in IRIS automated coding ICD-10 of causes of death	Share knowledge and experience of automated systems for ICD-10 coding of mortality; To build capacity in the region on the usage of the IRIS software; To enable participants to implement IRIS in the civil registration and vital statistics (CRVS) systems.	Ministry of Health focal points responsible for coding of causes of death	Completed	12/2016	12/2016	Regional			
WHO	Capacity building workshop	Training of Trainers in automated verbal autopsy.	To build capacity in verbal autopsy data collection methods to ascertain cause of death in settings with weak CRVS systems	Ministry of Health focal points responsible for civil registration and vital statistics systems	Completed	04/2017	04/2017	Regional			Cost shared activity between WHO and other development partners
WHO	Capacity building workshop	Training of Trainers in methods of cause of death data quality assessment (ANACONDA) and cause of death certification	To build capacity in assessment of the quality of national mortality statistics and also build capacity of physicians in the region on ICD-10 compliant death certification.	Ministry of Health staff responsible for civil registration and vital statistics systems and physicians	Completed	07/2017	08/2017	Regional			Cost shared activity between WHO and other development partners
WHO	Capacity building workshop	Capacity building workshop in District Health Information System (DHIS2 SMoL and DHIS2) platform customization for improving cause-of-death	To familiarize participants to the various components of the DHIS2 SMoL module and also to train IT staff in the customization of the DHIS2 SMoL module in order to support implementation, integration and roll-out plan.	Ministry of Health focal points responsible for civil registration and vital statistics systems	Completed	10/2017	10/2017	Regional			Cost shared activity between WHO and other development partners
WHO	Expert group meeting	An expert consultative meeting to discuss priority national population-based surveys for better reporting of regional core and SDG indicators	The expert consultation focused on current initiatives and future plans by WHO and other agencies to improve health statistics through national populationbased surveys in the Region.	Subject matter experts	Completed	12/2017	12/2017	Regional			
WHO	Capacity building workshop	Workshop on the Operation of CRVS and Identity Management Systems and the Production of Vital Statistics Reports for the Eastern Mediterranean Region	Build capacity of staff responsible for CRVS and Identity management on international standards for the operation of CRVS and indentity maangement systems to enhance reporting of SDG health-related SDG data	Focal points from the Ministry of Interior and Justice	Completed	03/2018	03/2018	Regional			This workshop was held in two countries: Morocco and Tunisia since the number of participants was a lot to be done in one workshop. This was cost-shared activity
UNFPA	Technical Assistance / Advisory	support LAS/PAPFAM to provide technical assistance to Sudan, Djibouti and Morocco	Assist target countries to conduct national surveys. Provide technical advise on questionnaire design, data collection tools, sampling, data analysis and report writing	Isam Taha	Completed	01/2016	12/2017	National	UNFPA staff and LAS staff	62000	
UNFPA	Data collection / Survey	ICPD Review process. Assessing progress on implementation of Cairo declaration 2013	In aptnership with LAS, a questionnaire was sent to Arab countries to respond on the respective national progress on implementation of Cairo declaration 2013	Hala Youssef	Completed	10/2017	04/2018	Regional	UNFPA staff and LAS staff	40000	
UNFPA	Publication	Regional Ageing Report	Ageing in the Arab Region: Statistical Trends and Policy Perspectives (English and Arabic)	Hala Youssef	Completed	02/2017	10/2017	Regional	UNFPA/ Consultant	30000	
UNFPA	Publication	Policy Breif on Ageing in the Arab region	العالم العربي أمام تحديات شيخوخة السكان: أدوار الحكومات والمجتمع والأسرة	Hala Youssef	Completed	02/2018	04/2018	Regional	UNFPA/ Consultant	10000	
UNFPA	Capacity building workshop	Meeting of Arab Regional Workshop on ICPD based SDG data	ASRO in collaboration with ESCWA and LAS constituted a regional task force on ICPD based SDG. This was the first meeting of the Task Force	Isam Taha	Completed	05/2016	05/2016	Regional	UNFPA, ESCWA and Regional officials and experts	35000	
UNFPA	Capacity building workshop	Regional Forum on Strengthening Regional capacities to track ICPD based SDGs	A high level forum to strengthen the national data activities, indicators and programmes geared to addressing the monitoring needs of the ICPD based SDGs; Strengthen coordination among national statistical systems, regional and international	Hala Youssef	Completed	07/2017	07/2017	Regional	Parliamentarians, Regional officials and experts	35000	

Inventory of activities

Regional Agency Name	Type of activity	Activity Title	Description / Objective	Focal points	Status	date initiated	date completed	Coverage	Human resources w/m	Resources available \$	Comments / limitations
IOM	Capacity building workshop	Migration and the SDGs in the Arab Region - Capacity Building Workshop	This workshop was designed and led by IOM, UNESCWA and the League of Arab States, as co-chairs, together with Members of the Working Group on International Migration (Regional WG) to train MS from IAS on mainstreaming migration related SDGs.	IOM, UNESCWA, LAS	Completed	07/2018	07/2018	Regional	Co-chairs, WG members of RCM WG on International Migration	USD 30,000	21 LAS members were invited and of which 13 delegations came, of which 2 nominated delegates attended per country.
IOM	Capacity building workshop	Migration Governance Certificate	This is a six month long course (one week every month) which caters to government officials, CSOs and civil societies to train participants on migration governance. This is the second year of running. It is done in partnership with the AUC and the Country and Regional Office of IOM.	IOM and American University of Cairo	Completed	01/2016	05/2018	National	IOM Regional Office Thematic Experts, AUC academics, IOM HQ experts	USD 5,000	This Migration Governance certificate has taken place over two years, for two rounds, and trained 56 officials in Egypt.
IOM	Capacity building workshop	Regional Migration Governance Certificate	This migration governance certificate will be available as an intensive 10 day certificate course training, following the same principles of the national migration governance certificate, however condensed into one week for countries in the Arab region.	IOM and American University of Cairo	Not initiated	09/2018	09/2018	Regional	IOM Regional Office Thematic Experts, AUC academics, IOM HQ experts	USD 10,000	This will be the first time a Regional Migration Governance Certificate is being conducted. It is based off of the positive success of two rounds of the national Migration Governance Certificate Course.
IOM	Data collection / Survey	Flow Monitoring Surveys (FMS), with migrants en route	FMS are conducted in several countries in Africa, in particular in North Africa they are collected in Libya as part of the DTM program implemented in the country. The system involves repeat and regular counts of the population of IDPs and migrants whether en route or stationary, and their mainsocio demographic characteristics and needs.	IOM	In progress	01/2016		National	IOM Country Office resources, with IOM regional and HQ support	NA	the same data is collected throughout WCA region and part of East and the Horn of Africa region and Arab Peninsula, allowing the description of a vast and diverse population of migrants and their routes across the central and norhtern parts of Africa
IOM	Capacity building workshop	Establishment of Data Unit and data capacity building workshops	In April 2017 Egypt's Central Agency for Public Mobilization and Statistics (CAPMAS) and IOM launched a Migration Data Analysis Unit. The Unit aims to fill information gaps on migration, by conducting assessments and producing key statistics on migration issues to support the development of evidence-based policy and enhance overall migration management in Egypt, and will help produce migration data relevant to the SDGs. IOM also organized several capacity building workshops at CAPMAS that included components on SDG monitoring and reporting.	IOM Cairo, IOM GMDAC	Completed	04/2017	11/2017	National	IOM GMDAC resources, IOM Cairo resources.	NA	
IOM	Technical Assistance / Advisory	Migration Governance Indicators (MGI)	Through the Migration Governance Indicators (MGI), IOM collects qualitative data on migration governance in a number of countries. The MGI was developed jointly by IOM and the Economist Intelligence Unit (EIU) to help governments assess the comprehensiveness of their migration policy structures and identify gaps and priorities that could guide the implementation of capacity building activities. The methodology consist of approximately 90 indicators, based on the six dimensions of IOM's Migration Governance Framework (MiGOF), the first and so far, only agreed definition of well-managed migration policies. This process was undertaken in Morocco.	IOM HQ MPD, IOM GMDAC	Completed	08/2017	08/2018	National	IOM GMDAC resources, IOM HQ MPD resources.	NA	

Inventory of activities

Regional Agency Name	Type of activity	Activity Title	Description / Objective	Focal points	Status	date initiated	date completed	Coverage	Human resources w/m	Resources available \$	Comments / limitations
