

Sustainable Consumption and Production National Action Plans

**Consultative Meeting on the
Implementation Framework for the
Environmental Dimension of the 2030
Agenda in the Arab Region**
Semiramis Hotel, Cairo, Egypt, 18-21
September 2017

SwitchMed Programme
is funded by the EU

International Framework

- UNEA Resolutions 2/8 Sustainable Consumption and Production;
- Sustainable Development Goal 12 / target 12.1. + SDGs according to country priorities due to the transversal and cross-cutting nature of Sustainable Consumption and Production;
- Linkages with poverty alleviation, green and circular economy, private sector, civil society,
- Replication at national and city level;

National Action Plan process

- SCP assessments;
- Based on existing national work (Green Economy in Jordan and Egypt);
- Nationally driven and owned multistakeholder process;
- Selection of national priorities;
- National Action Plan;
- Political validation;
- Kick-off implementation;

Outputs

Outputs

- 6 Sustainable Consumption and Production assessments (Algeria, Egypt, Lebanon, Morocco, Palestine and Tunisia);
- 7 Sustainable Consumption and Production National Action Plans (previous 6+ Jordan);
- More than 40 multi-stakeholder national workshops and roundtables organized with over 1500 participants from different ministries, public and private sector, civil society, academia, media, international organizations and bi-lateral partners;
- High-level political support in process and output;

Welcome to the Policy Makers Corner

CALL FOR INTEREST TO JOIN CONSULTATION PROCESS

In the next months, we will be running a stakeholder consultation process online and offline on the draft on Sustainable Consumption and Production (SCP) Action Plan for the Mediterranean. This Roadmap will be submitted for endorsement by the Contracting Parties of the Barcelona Convention which it will take place at end of 2024. We would like to collect your feedback and hear your thoughts on the priority actions for switching to green and circular economies in the region. Raise your voice by accessing shortly to an online questionnaire. Learn more about what actions we took till today and take a look at the draft of the SCP Action Plan. Read more by clicking here.
