The volume of Land Transport in Lebanon

Regional Workshop on the Exchange of experience
about Measuring the Volume of Land Transport in the
Arab Countries

Outlines

- The collection of land transport statistics
- The actual situation
- Difficulties

Data collection

- Infrastructure
- Equipment
- Flows
- Performance indicators
- SDGs

Land Transport

Infrastructure	Network length	available	General Directorate of Public works
Equipments	Fleet of vehicles by type	Not available	Ministry of interior
	New registrations	available	Ministry of interior
Flows	Volume of freight transport	Not available	Surveys
	Volume of passenger transport	Not available	Surveys
	Number of accident's victims	available	Ministry of interior

Performance indicators

Economic	<ul style="list-style-type: none">- <i>Turnover</i>- <i>Value added</i>- <i>Transport services price index</i>- <i>Share of transport expenditure in household consumption (%)</i>- <i>Number of companies</i>	<ul style="list-style-type: none">- The National Accounts- Consumer Price Index- Ministry of Finance VAT register
Technical	<ul style="list-style-type: none">- Length of express road network (km)- Share of road transport in domestic freight transport (%)	<ul style="list-style-type: none">- Directorate General of Public Works
Environmental	<ul style="list-style-type: none">- <i>Emissions of CO₂ and other GHG</i>	<ul style="list-style-type: none">- Ministry of Environment

SDGs	
3.6.1. Death rate due to road traffic injury (number or %)	Ministry of Interior
9.1.1. Proportion of the rural population who live within 2 km of an all-season road (%)	Household living conditions
9.1.2. Passenger transport volumes, by mode of transport	Sea transport and air transport
9.1.2. Freight transport volumes, by mode of transport	Sea transport and air transport
11.2.1. Proportion of population that has convenient access to public transport (%)	Not available

The Actual Situation

- The volume of land transport : Weakest link

Two main sources

- Administrative sources
 - Ministry of public works and transport
 - Ministry of interior
- Surveys
 - Actually no specific surveys on the volume of land transport

Difficulties

- Human resources shortage
- Financial resources shortage
- Logistic and administrative procedures due to the pandemic

Thank you for your attention
