Sustainable Development Dialogue # 5

The Arab Sustainable Development Report 2020 and Inclusive Arab Cities

Building on the findings of the Arab Sustainable Development Report 2020 (ASDR 2020), the first in the region to offer a quantitative and qualitative analysis of all 17 SDGs, **ESCWA and the Environmental Center for Arab Cities (ECAT)**, affiliated to the Arab Towns Organization (ATO), and functioning under the chairmanship of the Director General of Dubai Municipality with Dubai as its permanent base, are pleased to invite you to a discussion on:

- A detailed overview of ASDR 2020 and SDG progress in the Arab region. The discussion will also address the interlinkages and policy coherence across different SDGs, especially in the context of the current COVID-19 crisis.
- Key findings of ASDR 2020 on SDG 11 in the Arab region, inclusive and human-centered planning and linking to other SDGs. Highlights of the voluntary local reporting trends by cities globally.
