## GENDER STATISTICS PUBLICATIONS

<p><b>Gender Equality Indicators</b></p> <p>2005 (Arabic)</p>	
<p><b>Demographic and Economic Indicators of Kuwaiti Women in 2004</b></p> <p>2005 (Arabic)</p> <p>The report aims to show the extent of the response of Kuwaiti women with the efforts of the State and interact with them, thus contributing to push the process of economic development and social development. The report was based on secondary sources of population data on the situation on June 3, 2004, pending the preparation of a detailed analytical study on Kuwaiti women during the past twenty years from the reality of the final results of the population censuses conducted during the period from 1985 to 2005.</p>
